

Values Questionnaire

1. Would you work if you didn't have to? Why? **Yes, because I feel that working helps establish one's meaning in life.**
2. In what kinds of work situations would you work harder than you ordinarily do? **In situations of extreme importance or value to a company.**
3. Are there situations where you would work for less than normal pay? What would be the compensating rewards? **I would work for less than normal pay if the work was fulfilling and I had freedom to manage myself.**
4. If you could use your work to indulge in your favorite form of play, what would you be doing? **I would be doing something related to football because I believe the values one takes away from the sport are life-changing.**
5. What activities do you pursue when you have completely free time with no obligations? **I try to inform myself on current health news and fitness related articles.**
6. If you were free to schedule your working time any way you like within a 7 day \ week, what would your calendar look like? **I would work Monday-Friday from 7:00a.m. - 4:30p.m.**
7. People who work with me think that I am..... **Extremely motivated and informed as to how to get things done the right way.**
8. Rank these sources of reward from work, according to their relative desirability to:
- | <u>YOU</u> | <u>YOUR MOTHER</u> | <u>YOUR FATHER</u> |
|-----------------------|-----------------------|-----------------------|
| Money 1 | Money 3 | Money 1 |
| Prestige 3 | Prestige 4 | Prestige 5 |
| Security 4 | Security 2 | Security 2 |
| Recognition 5 | Recognition 1 | Recognition 4 |
| Independence 2 | Independence 5 | Independence 3 |
9. Which three values are your highest priorities? **Money, Independence, Prestige**
10. Which three are your lowest priorities? **Recognition, Security, Prestige**
11. Are these priorities reflected in your current work? **No**
12. What conflicts or discrepancies do you see between your values and your work? **Currently my work is just to pay for college.**
13. How would you like to change this situation? **Finish school and attain a job that meets my standards.**
